

ST. MICHAEL'S COLLEGE SCHOOL

Under the direction of the Basilian Fathers

The Office of Advancement is pleased to offer the St. Michael's College School Incentive Programme featuring discounts and special offers from businesses and organizations associated with our alumni network. A variety of current incentives are featured on the school's website and also in the school's Alumni Business Directory.

The incentive programme is free to join and designed primarily to bring value added to members of our Alumni Association, Parents' Association and other constituents within the St. Michael's community. The goal is to add value to our community by supporting and building relationships amongst our constituents.
